

ConEd Demand Response Programs Snapshot

ConEd DLRP (Distribution Load Relief Program) and ConEd CSRP (Commercial System Relief Program)

Minimum Size	50kW
Participation	Customer participates for summer season from May 1 through September 30.
Number & Duration of Events	DLRP: Participants agree to provide the load reduction for a minimum of 4 hours. Customer can be called anytime from 6AM - 12AM CSRP: Participants agree to provide the load reduction for a minimum of 4 hours. (Morning networks: 11AM-3PM; Day Networks: 2PM-6PM; Evening Networks: 4PM-8PM; Night Networks: 7PM-11PM)
Notification	DLRP: Up to 2 hours prior to the start of the event CSRP: 21 hours advance notice and then up to 2 hours prior to the start of the event
Compensation	DLRP: Reservation (Capacity) Payments: \$18.00/kW-month (Tier I) or \$25.00/kW-month (Tier II). Energy Payments: \$1.00/kWh. Bonus Payments: Additional \$5.00/kW-month if five or more events are called CSRP: Reservation (Capacity) Payments: \$6.00/kW-month (Staten Island & Westchester), \$18.00/kW-month (Bronx, Brooklyn, Manhattan, Queens). Energy Payments: \$1.00/kWh. Bonus Payments: Additional \$5.00/kW-month if five or more events are called
Baseline (CBL)	Customer Baseline Load (CBL): Average of the usage of each hourly interval of the top 5 days out of the last 10 eligible weekdays.
Settlements	Customers are paid seasonally their portion of the capacity and energy payments
Compliance	Customers are required to curtail at least their committed load during events and test events.
Consequences of Non-Performance	DLRP: No penalty but de-rating applies for under-performance in DLRP tests or events with at least 2-hour notification CSRP: No penalty but de-rating applies for under-performance in CSRP tests or events with at least 21-hour notification <i>ConEd has proposed implementing a Minimum Performance Factor of 25% required in order to receive monthly reservation payments.*</i>
Testing	A 1-hour test is called during each seasonal capability period (notified similar to an event). <i>ConEd has proposed a change for 2018 that would increase the duration of tests to 4-hours.*</i>
Enrollment Deadline	DLRP: April 1st for May 1st start; May 1st for June 1st start CSRP: April 1st for May 1st start; May 1st for June 1st start
Metering	Each account must have a 15-minute ConEd interval meter or AMI Smart Meter

* The proposed program rule changes will not become effective without an order from the NY Public Service Commission adopting the changes. An order ruling on the proposed changes is expected from the PSC prior to the start of the 2018 program season.
